

NetWitness Acceptable Use Policy (September 2022)

Generally

In this Acceptable Use Policy, “NetWitness,” “our,” “us,” or “we” refers to NetWitness, a business unit of RSA Security LLC.

The NetWitness Acceptable Use Policy ("AUP") is intended to foster responsible use of NetWitness' infrastructure, networks, cloud-based offerings, systems, services, websites, facilities, and products (collectively, the "NetWitness Infrastructure and Services") by our customers and other Users. Users consent to be bound by the terms of this AUP. NetWitness reserves the right to modify this AUP in its discretion at any time. Modifications will be effective when posted and Users are expected to check this page from time to time to take notice of any changes we make, as they are legally binding on each User. Users' use of the NetWitness websites after we make modifications constitutes acceptance of our modifications.

Suspension; Termination

If NetWitness determines that any User has violated any portion of this AUP, NetWitness may terminate the Users use of the website. NetWitness will suspend service for violation of the AUP on the most limited basis as NetWitness determines is reasonably practical under the circumstances to address the underlying violation. NetWitness will attempt to notify User prior to suspending service for violation of the AUP (which may be via email or any other notification). However, NetWitness may suspend service without notice if NetWitness becomes aware of a violation of this AUP or any applicable law or regulation that exposes NetWitness to criminal or civil liability, or that exposes NetWitness or any third-party property to harm. Harm may include, but is not limited to, risk of having one or more IP addresses placed on blacklists. NetWitness may take any further action as NetWitness deems appropriate under the circumstances to eliminate or preclude repeat violations. NetWitness is not liable for any type of damages that Users or third parties may suffer resulting in whole or in part from

NetWitness' exercise of its rights under this AUP. This exclusion of liability does not include NetWitness' liability for death or personal injury caused by its negligence, or any other liability that NetWitness cannot exclude or limit by law.
